Award of Honors.

Diplomas, Medals and Distinctions
Awarded to Public School
Pupils Yesterday.

Yesterday morning at nine o'clock the award of diplomas, medals, and honors to deserving pupils of the public school took place in the assembly hall at the school building, the teachers and pupils being assembled for the purpose. Professor Barbour, the principal presided.

There were two graduates this year who received diplomas. Medals were given to pupils in each grade that have made an average of 90 or more in their respective classes throughout the year, eight medals being given. Others who have distinguished themselves by good scholarship were given distinctions in the form of a class certificate, setting forth the fact, and all others making over a certain grade received honorable mention. Following is the list of pupils who received honors:

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars testimonials. Address, F. J. CHENEY & Co., Toledo, O.
